
A horizontal wood panel with a dark, rich purple-brown finish. The wood grain is visible but mostly obscured by the color.

Robi Blend

A horizontal wood panel with a light, natural wood color. The surface appears slightly textured and has a few small dark spots.

No finish, no exposure to sun

A horizontal wood panel with a medium-brown, natural wood finish. The grain is clearly visible and the surface has a slight sheen.

Robi Oil

A horizontal wood panel with a light, natural wood color. The surface shows signs of aging, including some yellowing and darker spots, particularly on the right side.

No finish, 7 days exposure to sun
